Concept

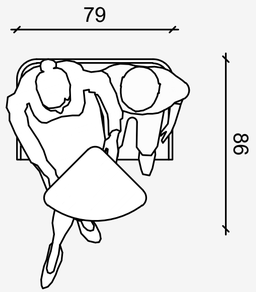

Proximity comparison

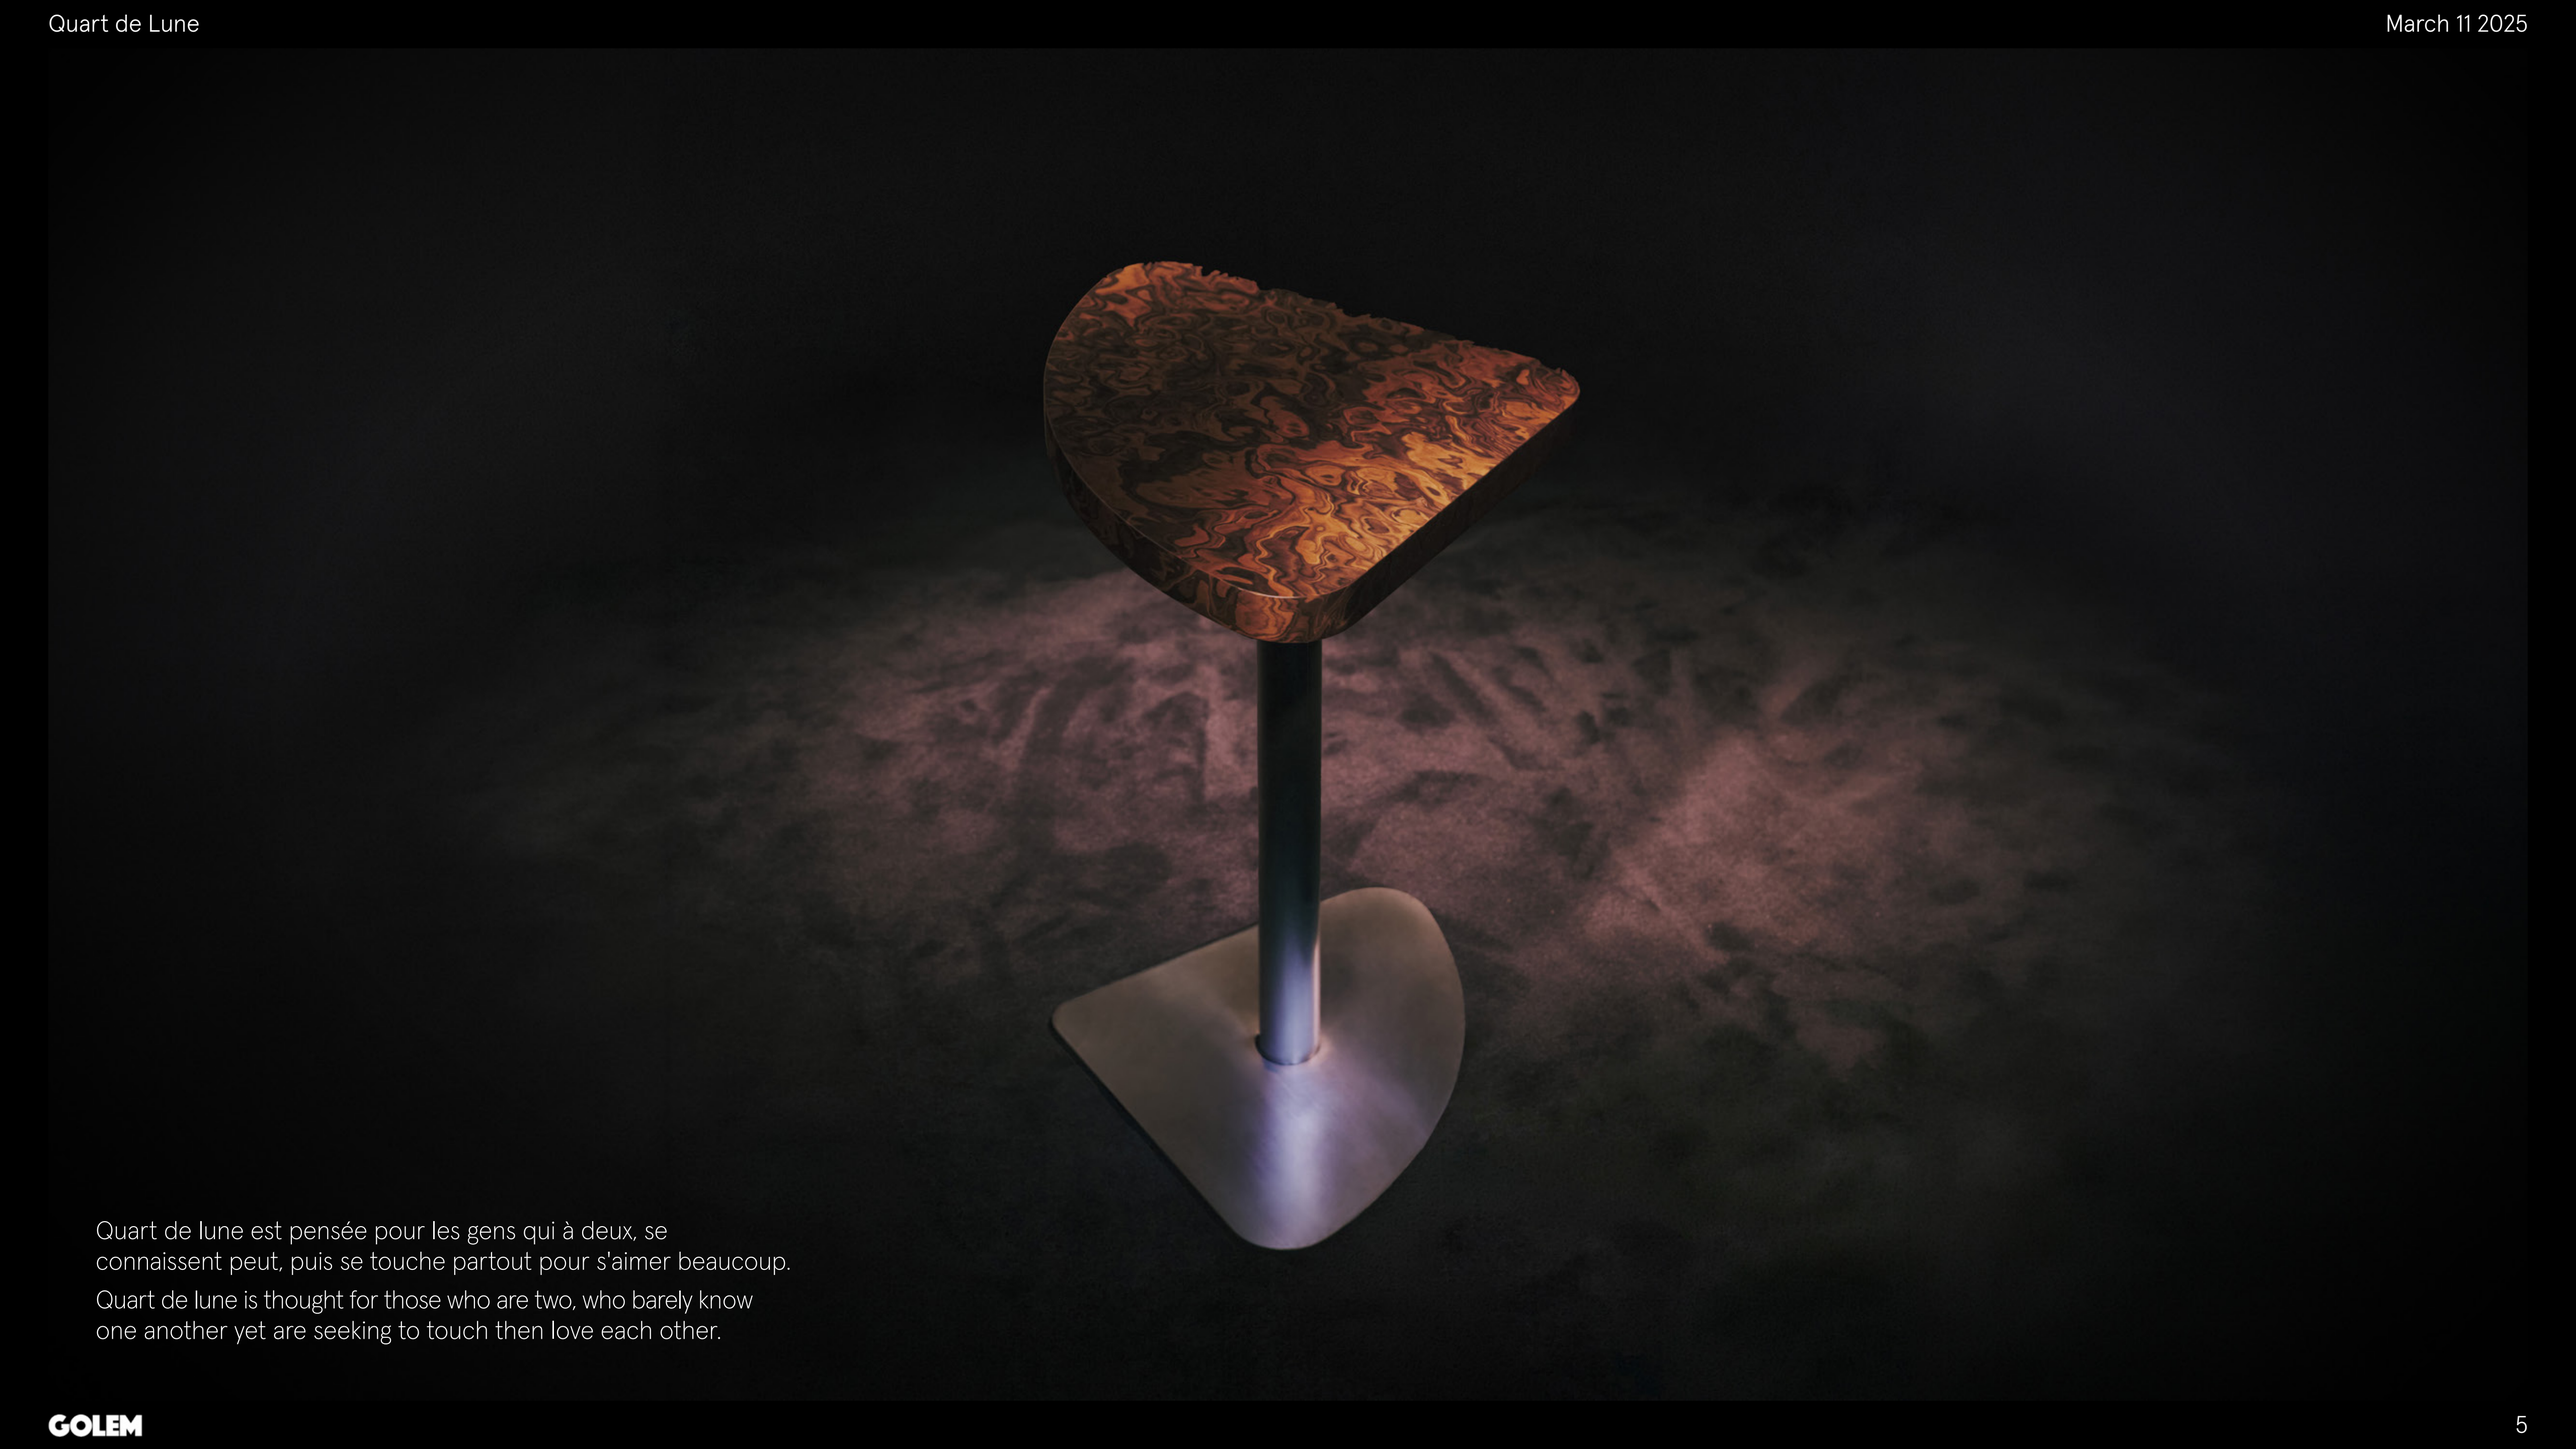

Classic bistro - Dating looks like a job interview (speed dating in Sex & the City)

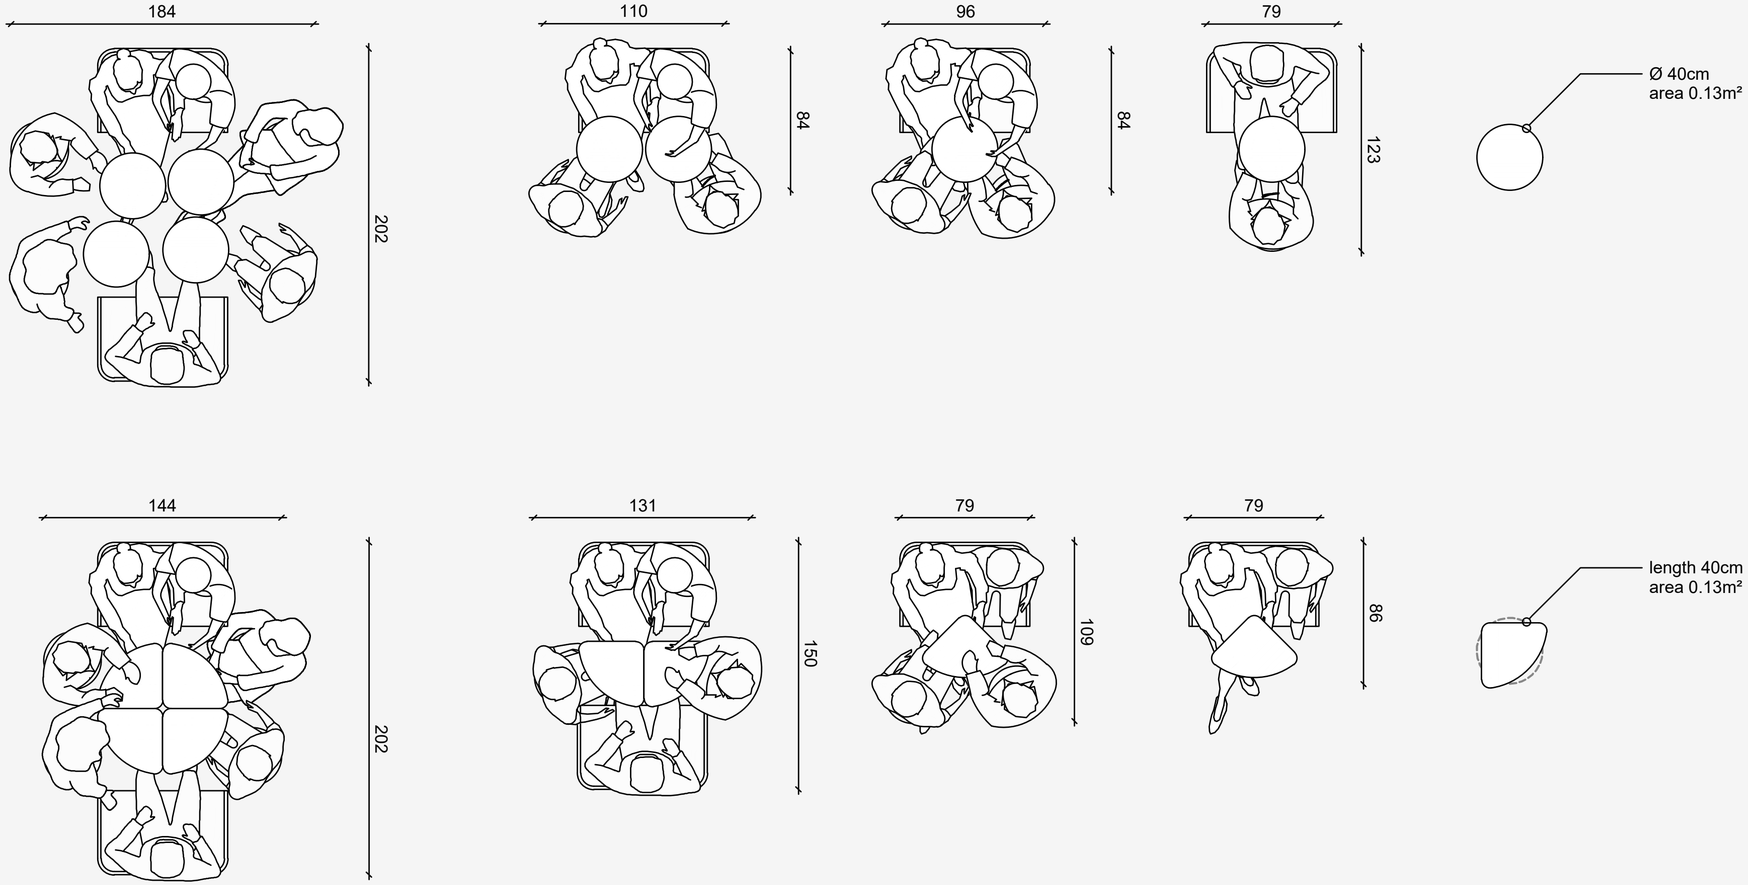

Quart de Lune - great for the classic 'yawn-and-strech' move

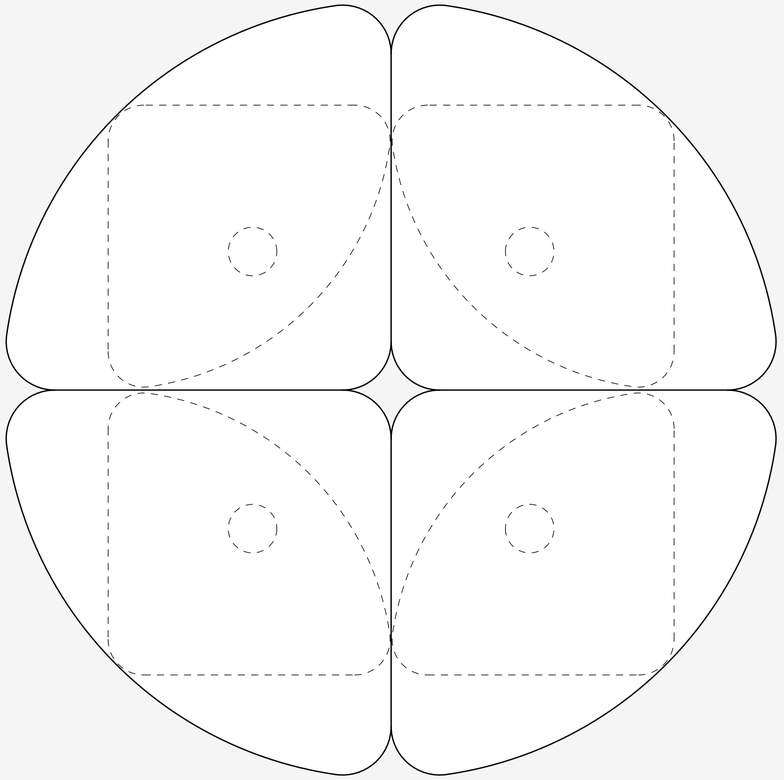

Quart de lune est pensée pour les gens qui à deux, se connaissent peut, puis se touche partout pour s'aimer beaucoup.

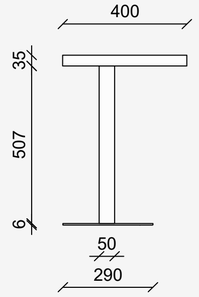

Quart de lune is thought for those who are two, who barely know one another yet are seeking to touch then love each other.

Classic bistro table x Quart de Lune comparison

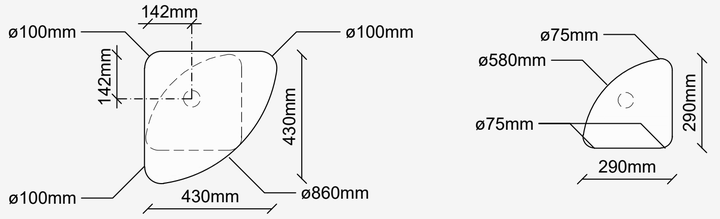

Draft design (as for the london project)

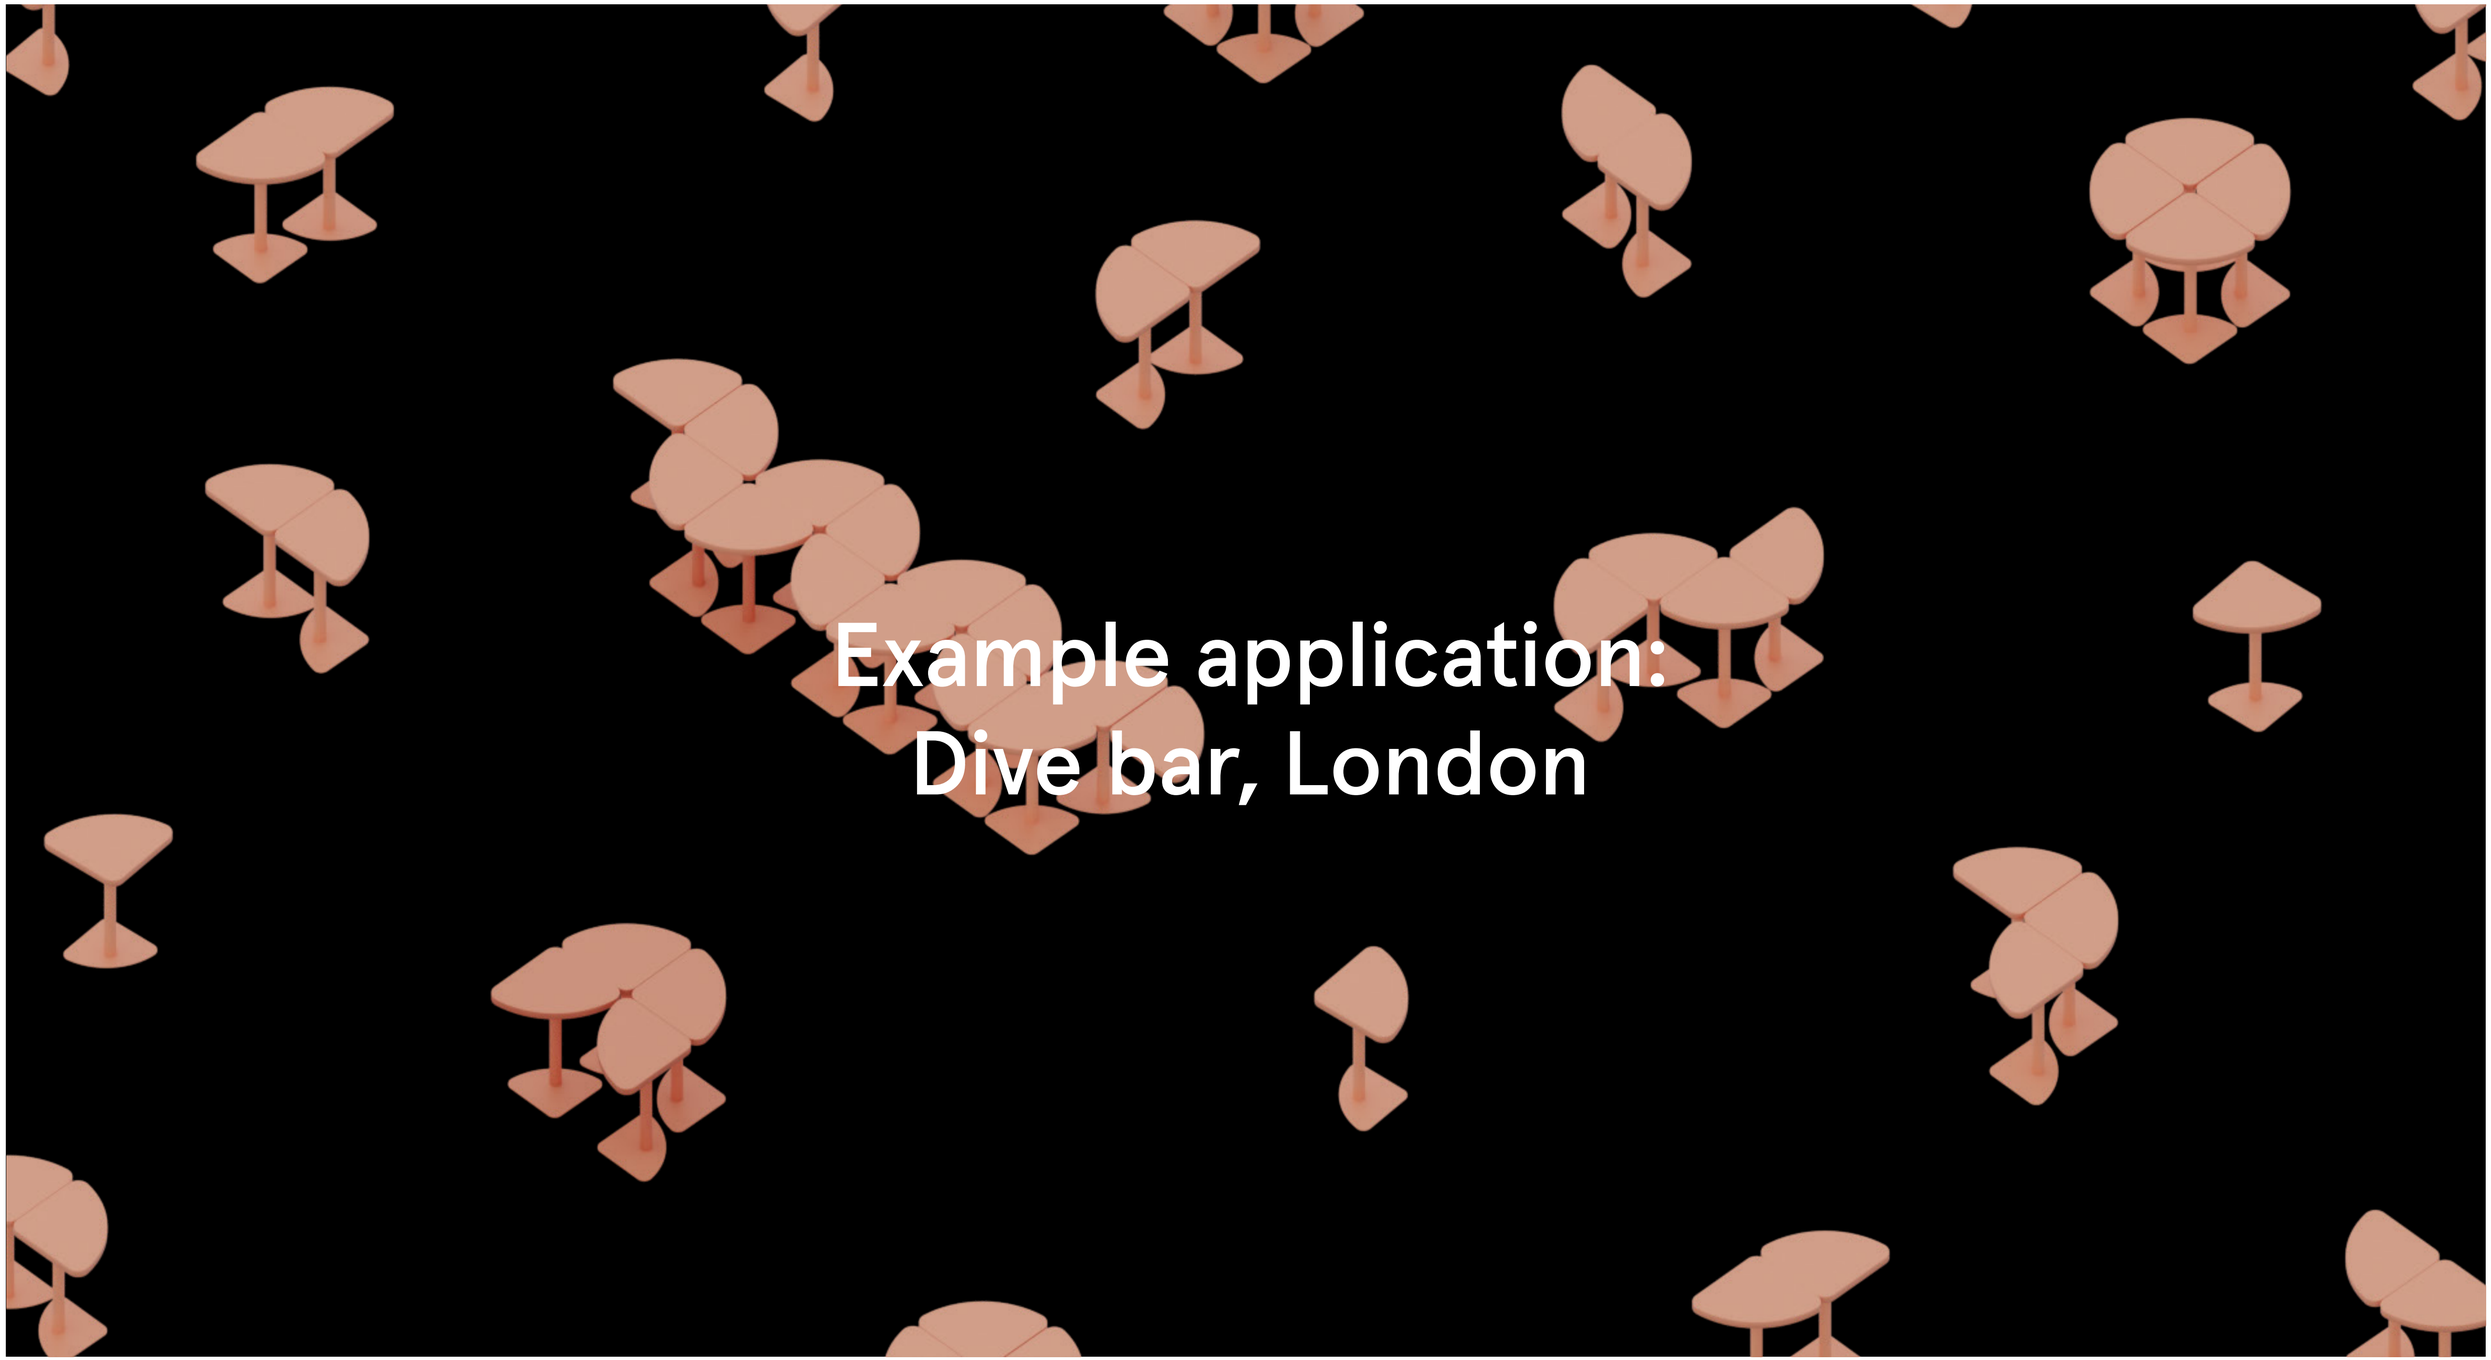

Elevation Quart de lune

Plan Quart de lune - top and foot

Example application:
Dive bar, London

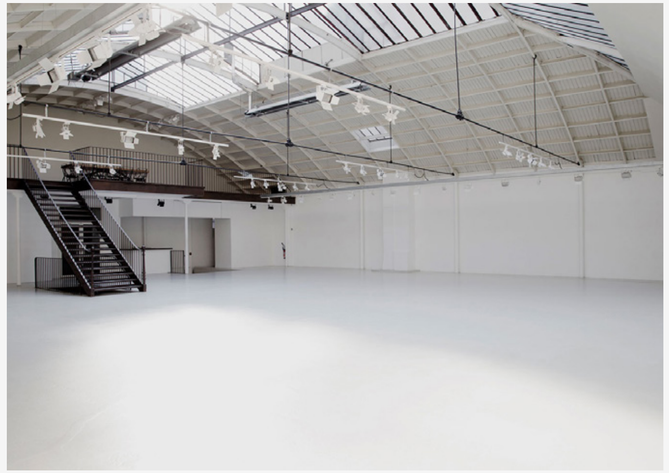

Launch party in Paris

In a venue like...

Gallery space

Private restaurant

Terrace

1 unique layout
